

**PROVIDING QUALITY SERVICES
ACROSS THE PILBARA
AND BEYOND.**

About Gebro

**A local business
benefitting local people.**

Gebro Contracting was established in September, 2016 by experienced roads contractor, George Brown. George previously spent almost a decade working as a Supervisor for Main Roads Western Australia.

**We focus on building and
sustaining trusted relationships.**

Born and raised in South Hedland, George is a proud Aboriginal man who is committed to improving economic and social opportunities in his local community. Through Gebro Contracting, he aims to employ local, skilled Indigenous people where possible, and give them a brighter future. As the business grows, it will provide more Indigenous and non-Indigenous people with employment and training.

**We prioritise safe
and reliable services.**

Gebro Contracting specialises in road maintenance and associated services, as well as gardening and labour hire services. All of our work is conducted with a strong focus on safety, and a commitment to zero harm.

Based in South Hedland and servicing Western Australia, Gebro Contracting is an Indigenous owned and operated company that specialises in road maintenance and associated services.

Supported by a passionate, skilled and experienced team, Gebro delivers high quality work that is on time and on budget, and represents value for money. The business also strives to make a positive difference in the local community through training, mentoring and employment opportunities.

ROAD MAINTENANCE

Gebro Contracting has a wealth of experience working on roads in the Pilbara, including current contracts to deliver services for Main Roads WA.

Our road maintenance and associated services include:

- Raised Reflective Pavement Markers (RRPM's)
- Thermo plastic road marking
- Road sign installation
- Litter management at roadside stopping areas
- Traffic management
- Traffic Survey Delineation

Since contracting to Main Roads WA, the scope of our work has increased in response to our excellent performance and demonstrated capabilities. We work to the highest safety standards, and in strict accordance with all required policies and procedures. Our staff receive relevant training before commencing employment, and ongoing support.

GARDENING

The team at Gebro Contracting can deliver a variety of gardening tasks for residential and commercial customers. We take pride in the quality of our work, and we strive to exceed expectations on every project.

Our gardening services include:

- Lawn mowing
- Whipper snipping
- Pruning
- Mulching
- Weeding
- Garden clean-up

LABOUR HIRE

We can supply honest, hard-working and enthusiastic staff on a short-term or long-term basis.

Gebro Contracting is committed to providing local Indigenous people with training and employment. By engaging members of our team, our clients help us achieve our goal of improving the lives of local people. We are proud to supply good people with a variety of skills, across a range of sectors.

A photograph showing two workers in high-visibility yellow and blue clothing and hats, standing on a paved road. One worker is using a tool to mark the road. The background shows a landscape with trees and hills under a cloudy sky.

"We listen to our customers to ensure we understand their needs, and we deliver what we promise."
